

About Alan Lomer

Alan has over 30 years' experience designing presentations and slides for clients worldwide. He has created work for companies such as Pfizer, Adobe, the AA, Channel 4, Johnson & Johnson and hundreds of others.

Alan is a leading PowerPoint teacher in the UK and has been teaching for over 6 years. His highly rated PowerPoint courses on Skillshare and Udemy have been taken by over 10,000 people and content on his 'PowerPoint Skills' YouTube channel - which provides fun and free tutorials - have been viewed over half a million times.

What clients and students say about Alan:

'The best training session ever! can't wait to create our presentations :) thank you!'

Training Participant - SHI International Corp

'This is one of the best courses I've ever taken on Udemy! Each topic is explained so clearly and creatively. Alan has done an incredible job presenting every concept with real skill and passion. The visuals, techniques, and examples are not only professional but also deeply inspiring. You can truly feel Alan's dedication and expertise throughout the course.'

Student - Udemy

'We've been through this deck and it is just what we need for now - it's absolutely brilliant. No further amends needed for now, which is a testament to your great work.'

Thanks again - you have done a truly brilliant job!'

Brand Manager - UK Charity
